

*Your love, Lord, reaches to the heavens,
your faithfulness to the skies.*

Dear Colleagues of the ministry Camp Joli-B,

BEYOND OUR EXPECTATIONS!

Astonishing but true, this summer we celebrated our 60th year of ministry with Camp Joli-B. Who would have thought at the very beginning, when the desire to have a camp to reach local youth with the gospel took shape, that 60 years later this camp would still be a tool in the hand of God who continues to make His Name known. This accomplishment can only contribute to celebrating the glory of God's grace towards us.

We celebrated this milestone to express our praise and thanksgiving to our Lord God for his faithfulness, patience and goodness to us.

Many of those who were among the veterans at the very beginning of Joli-B's birth were present. And we were able to thank them for their works of faith and labour of love.

We also took this opportunity to acknowledge and thank Gérard and Angeline Jolin for their faithful service to the Lord with the Camp.

We would also like to thank all those who have been involved in this ministry over the years. Your service with Joli-B has helped lead many to discover the Saviour and Lord of their souls, and to encourage the saints to persevere in their faith.

A WELL-FILLED SUMMER

Our camp periods were quite full. Our 13-17 age group was packed with young people, most of whom came from non-believing families. God blessed us through His servant Samuel Plante, who by God's grace, shared the Gospel message clearly and appropriately for this age group. A young girl in the middle of the week, convinced of her need for Christ, came forward to express her desire to give herself to Christ and was led to the foot of the cross.

The next period, 10-12 year olds, was full to capacity 2 months before the camp season began.

Dominick King, led by the Holy Spirit, shared the greatness of God's love for us in the gift of His Son for our salvation. He also shared with us how Jesus Christ overcame our great enemy.

Check out more photos activities on Camp Joli-B's Facebook page. [campjoli-b.com](https://www.facebook.com/campjoli-b.com)

An 11-year-old girl told her mother when she came to pick her up, "Mom, I want to go to church!" Since then, the family has been attending the Assemblée Chrétienne Évangélique in Notre-Dame-du-Nord.

In total, we offered six weeks of camp. Two family camp periods followed the first two. David Van Noppen brought the Word to the English family week and Pascal Denault to the French family period. We ended the season with two more youth camps. Annie Francis to teach the 7-9 year-olds and François Boudreau for the English immersion week.

We are very blessed by the privilege and grace of being able to participate in God's work through this ministry. We know that for some of these young people, their eternal destiny has been changed. For others, we believe these seeds will direct them in God's time to grasp the eternal life that is offered to us in Jesus Christ, to the glory of God alone.

A DEDICATED STAFF

God has provided dedicated teams with whom it has been a pleasure to join in His work and grow together in His love and knowledge.

Thank you to everyone who joined in the effort.

NEW FEATURES AND INFRASTRUCTURES

A number of upgrades and work projects have also been completed.

The major project was to re-roof the cafeteria in sheet metal...ouf! We also bought new chairs for the cafeteria. Thanks to your generosity we were also able to purchase a new boat for our aquatic activities, which covers a large part of our program.

In November, brothers from the English family camp who live outside the region, joined us to cut down several trees on the site that were damaged by the spruce budworm.

We are infinitely grateful to the Lord, to whom all glory belongs, for His faithfulness and grace towards us. We also thank you for your generous collaboration, which continues to be a great source of encouragement and enables us to be a voice for the Gospel.

In this beautiful time of celebration, when we join with God's angels in singing:

"Glory to God in the highest, and peace on earth among those with whom He is pleased!"

We wish you a Merry Christmas and a New Year filled with His peace.

On behalf of the team of Camp Joli-B
Paul Jolin
General Director
